Petitioner,
v.
Central Intelligence Agency, et al,
Respondents.

Civil Action No. 2:15-cv-01583-
LPL

MOTION TO TAKE JUDICIAL NOTICE

Petitioner Laurel Michele Schlemmer by and through next friend Frederick Banks files the foregoing Motion to Take Judicial Notice and represents.

1. Schlemmer noticed that in 2007 a litigant made a similar claim to the claim she makes regarding CIA electronic surveillance and harassment in Ground ONE of the 2011 petition. See Foggy v. United States GovT 2007 US Dist Lexis 103230 (D. Idaho May 16, 2007) (Plaintiff alleged government put "Hollywood Voices" inside her head which told her to kill her son.) Foggy also claimed instances of government electronic "body modification" (body modification is brought about by CIA Synthetic Telepathy in which the government operator sends wireless signals to make the individual think their body is being altered.) Compare with Testimonials of "Jaami Ali" on youtube.com (Jaami is a personal acquaintance of Frederick Banks because of the Harassment by the government Jaami actually believed her body is being and has been altered. To Banks however, Jaami looks normal. Before Jaami was electronically harassed she was an accomplished songwriter with a Masters degree. Today Jaami is homeless and living on the streets of New York as a targeted individual.)

Wherefore, the foregoing Motion should be granted.

Respectfully Submitted,
